

Terms and Conditions

- The data are provided only for the purpose of participation in the 2018 Data Fusion Contest. Participants acknowledge that they have read and agree to the following Contest Terms and Conditions:
- The owners of the data are the Hyperspectral Image Analysis Lab and the National Center for Airborne Laser Mapping at the University of Houston, and they hold the copyright. Any dissemination or distribution of the data packages by any registered user is strictly forbidden.
- Class annotations maps are licensed under the Open Data Commons Open Database License (ODbL) by UH and IEEE GRSS.
- The data can be used in scientific publications subject to approval by the IEEE GRSS Image Analysis and Data Fusion Technical Committee and by the data owners on a case-by-case basis.
- To submit a scientific publication for approval, the publication shall be sent as an attachment to an e-mail addressed to iadf_chairs@grss-ieee.org and saurabh.prasad@ieee.org
- In any scientific publication using the data, the data shall be identified as “grss_dfc_2018” and shall be referenced as follows: “[REF. NO.] 2018 IEEE GRSS Data Fusion Contest. Online: <http://www.grss-ieee.org/community/technical-committees/data-fusion>”.
- Any scientific publication using the data shall include a section “Acknowledgement”. This section shall include the following sentence: “The authors would like to thank the faculty, staff and students at the Hyperspectral Image Analysis Laboratory and the National Center for Airborne Laser Mapping at the University of Houston for acquiring and providing the data used in this study, and the IEEE GRSS Image Analysis and Data Fusion Technical Committee.
